Grooming Waiver

At Dog Paws University, your pet is important to us. We want to assure you that every effort will be taken to make your pet's bathing or/and grooming experience as pleasant as possible. Occasionally, grooming can expose a hidden medical problem or aggravate a current condition. This can occur during or after grooming.

In the best interest of your pet, we request permission to obtain immediate veterinary treatment, at your expense, should it become necessary:

In the event that I am not present, I hereby grant permission to Dog Paws 'n Cat Claws to obtain emergency veterinary treatment for my pet, at my expense. The undersigned further grants full permission to Dog Paws 'n Cat Claws to use any photographs or videotapes from grooming for any purpose. Additionally, I have notified Dog Paws 'n Cat Claws of any pre-existing medical conditions my pet may have prior to receiving grooming services. My pet is up to date on Rabies, Distemper and all necessary vaccinations.
